Reports to: Shore Operations Supervisor

Department: Ticket Booth

Location: Tobermory, ON

About Bruce Anchor Cruises:

Bruce Anchor Cruises operates a fleet of glass bottom tour vessels within Fathom Five National Marine Park which occupies some of the most pristine waters in the Great Lakes. Fathom Five is home to numerous historic light stations, over twenty known shipwrecks, and Flowerpot Island.

Our extremely unique and modern glass bottom vessels depart Tobermory on a regular schedule. Our tours operate during the spring, summer, and fall. Within minutes of departing our dock, passengers are given an opportunity to view two 19th century shipwrecks, The Sweepstakes and The City of Grand Rapids, resting just a few feet below the surface. Following the shipwreck viewing, our vessels pass by Big Tub Light House (1885). From there we continue on to Flowerpot Island. During the cruise around Flowerpot Island passengers will view magical scenery. This scenery includes the historic Flowerpot Light station, the light keeper's home, the Flowerpot rock formations and more. Passengers planning to hike the island may disembark and explore the island on foot for a couple of hours.
